Authorization for Prescription or Non-Prescription Medication

No medication shall be given by child care personnel without the signed permission of the parent or legal guardian. All medication must be in the original container with the child's name, name of the physician, medication name, and medication directions written on the label. Non prescription medication brought in by the parent or legal guardian can only be dispensed if there is written authorization from the parent or legal guardian to do so. Medication which has expired or is no longer being administered shall be returned to the parent or legal guardian.
We reserve the right to decline to administer medication that appears to pose potential harm to the child and reserve the right to decline to administer non-traditional medications
